

AWHONN Virginia Section

Jessica Fenton
Virginia Secretary/Treasurer

Greetings,

I hope everyone has thoroughly enjoyed these past couple months of wonderful summer weather! As we make the transition to fall over the next couple weeks, I'm sure many of you are looking forward to festivals, football, and the changing of the leaves that accompany this season. I know many of you were looking forward to attending the Virginia Section Conference that was planned for later this month. It is with sadness, that due to a fire at the conference center, we had to cancel this year's Section Conference. I know much hard work, time, and effort was dedicated to the planning of this conference. I would again like to thank Lisa Klein and her committee members Dona Dei, Carola Bruflat, Barbara Moran, Marie Kodadek, and Candy Sullivan for their dedication to planning our conference. We are anticipating our next Section Conference to be in early spring in Virginia Beach. Stay tuned to your email and our webpage for the dates to be announced. We know this will be a fun and educational weekend and a time for you to meet with other Women's and Children's nurses from across the Commonwealth!

In the meantime, there are still plenty of local and state meetings and conferences in which to participate! Our chapter leaders should be holding 3 chapter meetings a year which can include a webinar, live speaker, social get-together, or a mini-conference. Be sure and check out our website, www.awhonnva.org for more information on happenings around the state.

Finally, we now have a Facebook page for the Virginia members! Join the group at: <https://www.facebook.com/groups/AWHONNVirginiaSection/>. We are excited to be able to use social media as another form of communication to our members!

We thank you for supporting us in promoting the health of women and children this past year! Have a great fall!

Jessica Fenton, MSN, RNC
Virginia Section Secretary/Treasurer
