

## 2019 AWHONN Virginia Section Conference Abstract Submission

Poster topics may reflect either nursing research or implementation of Evidence Based Practice based on systematic review of the literature. Topics should focus on maternal or neonatal health as well as general topics related to the nursing profession or general public health.

Posters should have a clear question that is answered by one of three methods:

- A systematic review of evidence-based literature
- Improvement of a process based on a systematic review of evidence-based literature
- Studies reflecting rigorous research methods

Submit the completed abstract to [abstracts@awhonnva.org](mailto:abstracts@awhonnva.org). or email to [skfickley@gmail.com](mailto:skfickley@gmail.com) . Please limit your submission to 300 words.
